

Avcomm Listen-Only Headsets

Perfect for all applications requiring hearing protection while using a monitoring device.

PATENTED PNR™ TECHNOLOGY

AVCOMM patented PNR™ technology provides the highest level of audio performance, crisp, clear listen-only reception, and higher noise attenuation. Certified 24dB NRR, you can hear the difference! Ultra-lite Neodymium speakers provide rich, smooth frequency response so you no longer have to strain to hear radio conversation in extreme noise environments such as airports, construction sites, manufacturing plants, agriculture, heavy equipment or race events. Add versatility by simply using the 3.5mm plug to connect a radio, scanner or other listening device. Whether at work or at play, always stay connected with AVCOMM.

NRR
24 dB

NRR Test Results: American National Standards Institute
ANSI Specifications: S3.19-1974
Certification by Michael & Associates, State College, PA

ALL DAY COMFORT

AVCOMM listen-only headsets are designed for all day comfort and feature cushy soft oversized acoustic foam ear seals that are ultra light and incredibly comfortable. Experience the comfort and performance of an AVCOMM listen-only headset available in two models.

H1000 Features an easy-to-adjust stainless steel headband with thumbnut adjustment and a "pillow-soft" headpad to reduce pressure points and hot spots in an over-the-head style headset.

H2000 Behind-the-head design features a fully adjustable Velcro® head strap and a rugged spring steel back band. Optional chin strap available PN# P0125.

ADDITIONAL FEATURES

Built-in detent volume control, rugged construction, chemical and heat resistant high impact ABS plastic ear cups, rugged cables with durable polyurethane insulation and spiral shielding to reduce RF interference, 6-foot coil cord easily extends to full length without pulling the headset off, and an industry standard 3.5mm plug, gold plated for positive contact and superior audio quality.

Rich in features and built with the end-user in mind, AVCOMM delivers outstanding performance, comfort and audio clarity, making it one of the best employees on the job. Works hard, always reliable and desired by everyone.

PNR™ Technology

Headset Accessories

High quality AVCOMM headset accessories are compatible with most major brands.

DELUXE GEL EAR SEALS

Absolutely the finest ear seal available! Designed for luxurious comfort with silicone gel that conforms to facial contours and glasses. Durable polyurethane construction is unaffected by temperature extremes.

PN# P1009

DELUXE ACOUSTIC FOAM EAR SEALS

Replace old worn out ear seals! Soft, cushy, and ultra-light, AVCOMM Deluxe Acoustic Foam Ear Seals are manufactured to deliver maximum comfort and noise attenuation.

PN# P1006 Small
PN# P1007 Large
PN# P1005 Jumbo

DELUXE CLOTH EAR COVERS

Cool cotton comfort will improve the tactile quality of any ear seal. They absorb perspiration and relieve "hot spots" and are completely washable for maintaining hygienic use.

PN# P1004

PN# P3A01

PERSONAL HEADSET BAG

Padded protection for an individual headset and personal items. Securely link two of these together with a unique Velcro® flap or easily connect to the end of the P3-A03 Bag. Dual zipper on top makes access very easy. There is a gusseted pocket on the inside and a zippered compartment on the outside for accessories.

Dimensions: 9.5"L x 10.5"H x 3.5"W
Weight: 8.7 oz.

PN# P3A03

Unique Velcro® mounting flap allows placement of the P3-A01 Personal Headset Bag to either or both ends of the bag!

DELUXE FLIGHT BAG

Fully padded, shock resistant, semi rigged construction. Dual zippered flap on the main compartment features a Velcro® strip for easy closure. Roomy interior for storage of headsets, cords and more, plus removable inside Velcro® partition. Easily attach a P3-A01 Personal Headset Bag to either or both ends for additional storage.

Dimensions: 15"L x 12.5"H x 10.5"W
Weight: 3 lbs. 2 oz.
